

Live, Drop-in HOMEWORK HELP

Deliver customized, high-engagement homework help on any subject.

Schedule support when your students need it most

Late night

Weekends

Study Hall

After School

Access to Experts

Utilize iTutor's **certified educators or content area experts** to provide live instruction without adding additional responsibilities to your teaching staff.

Tailored Instruction

Live instruction allows our educators and experts to pivot in real-time to give students the support they need. From reteaching to review, we have them covered.

Consistent Support

Your students will have the **same instructor for each scheduled drop-in session**. Understanding students' unique needs results in high-impact outcomes.
